Please bring all papers you have on this dog with you when you come to release him/her to Airedale Rescue. Although we do not give registration papers with our adoption dogs, it is helpful for our records to keep track of their origins. Please bring his/her health records and all veterinary certificates (such as rabies & proof of spay/neuter) which are required to obtain proper licensing for the dog and to help us not over-vaccinate the dog.

I certify that I am the legal owner of this dog, free and clear of all other interests. On _____ 20__ I hereby transfer ownership of _____ to _____ of Airedale Rescue and Adoption of the Delaware Valley. I understand that every effort will be made to place my dog in the best home possible, suitable to his personality. I hereby relinquish all claims to said dog and I understand that if the Airedale Rescue and Adoption Service concludes that this dog is unadoptable (due to health or temperament reasons only), he/she will be humanely euthanized by a veterinarian. I further certify that this dog has not bitten anyone within the last ten (10) days.

I hereby authorize this dog's veterinarian to release medical records of my dog _____ to any of the listed Airedale Rescue volunteers.

Signed: _____ Date: _____

Witness: _____ Date: _____

Every dog accepted by Airedale Rescue & Adoption of the Delaware Valley is properly clipped, bathed, brought up to date on all shots, checked for heartworm, neutered/spayed if not already done, treated for any ailments including heartworm infestation, and kept in one of our foster homes. Sometimes these foster homes are already filled and one or more of the adoptable dogs must be kept for a time in a local boarding kennel.

While an adoption fee helps to cover routine veterinary expenses, most times it does not cover the costs spent by Rescue on the dog, particularly if extra measures are required to medically make a dog acceptable for adoption. For these reasons, we humbly ask that you find it in your heart to help us with the financial burdens of placing your dog by giving a donation. Please make checks payable to ARADV.
